Membership Information

Why support the National Council on Interpreting in Health Care (NCIHC)?

The NCIHC has been a national leader in promoting and enhancing language access in health care since the first meeting of concerned advocates took place in Seattle, Washington in 1994. While the field of medical interpreting has grown exponentially since then, the NCIHC continues to be distinguished for leadership, quality and integrity.

Sponsorship of both the NCIHC's Annual Membership Meeting (AMM) and the Language Access Congress provides an exceptional opportunity to showcase your company's products, services, and commitment to language access in health care for limited English proficient individuals.

The focus of these events lies in health care, yet also touches the larger related realms of social services, education, immigration, courts and the legal system, and services of all kinds to refugees and immigrants. Sponsorship will open the door to a focused, highly influential and diverse group of language access experts from around the country.

Event Details (more information can be found on our website)

- **Language Access Congress:** The Language Access Congress takes place from September 24-26, 2026. The number of members receiving free access to the Language Access Congress will depend on the type of organizational membership. Other members included in your organizational membership will be offered early bird and regular member discounts.
 - Includes members and non-members, resulting in a higher number of participants
 - Enhanced visibility on the NCIHC website
 - Dedicated networking time slots
- **NCIHC Annual Membership Meeting (AMM):** The next AMM will be held in April 2027. It is an opportunity for all NCIHC members to learn about the various activities that have taken place throughout the last year. In addition, we hold our formal business meeting, during which we introduce and install the new slate of board members elected earlier in the year. We also review the work the board and committees have been doing, our financial strength, and other pertinent topics. Members of your organization can participate in this meeting. Please see the chart on page 3 for more details.

Organizational Membership Benefits:

- Highlight your organization's commitment toward the elimination of disparities in healthcare.
- Demonstrate your dedication to best practices in the healthcare interpreting field.
- Showcase your work toward cultural and linguistic competence in healthcare.
- Increase national awareness of your organization's brand, products, and services.
- Reach an expected target audience of decision-makers from health care organizations, businesses, corporations, academic institutions, non-profit organizations, and government agencies at all levels.
- Network and learn about the latest advocacy efforts and movements taking place locally and around the country.
