***“2 Decades of Language Access in Healthcare:
Honoring the Past, Charting the Future”***

SPONSOR / EXHIBITOR INFORMATION

Why sponsor at the National Council on Interpreting in Health Care’s (NCIHC) Annual Membership Meeting (AMM)?

The NCIHC has been a national leader in promoting and enhancing language access in health care since the first meeting of concerned advocates took place in Seattle, Washington in 1994. While the field of medical interpreting has grown exponentially since then, the NCIHC continues to be distinguished for:

- ***Leadership***
- ***Quality***
- ***Integrity***

Sponsorship of NCIHC’s Annual Membership Meeting (AMM) provides an exceptional opportunity to showcase your company’s products, services, and commitment to language access in health care for limited English proficient individuals.

The focus of the AMM lies in health care, yet also touches the larger related realms of social services, education, immigration, courts and the legal system, and services of all kinds to refugees and immigrants. Sponsorship will open the door to a focused, highly influential group of language access experts from around the country.

Your AMM sponsorship will also include a one-year sponsorship of the NCIHC's Home for Trainers Webinar Series. The Home for Trainers was created in response to the publication of the NCIHC's National Standards for Healthcare Interpreter Training Programs. As part of a multi-pronged initiative, the Home for Trainers offers bi-monthly webinars designed to help interpreter trainers address training issues and improve training content, methods, and techniques to better meet the standards. Each webinar is presented by an expert Trainer of Trainers to address specific content areas and particular teaching competencies. The NCIHC Home for Trainers Webinars series was voted Best Training Course for Interpreting in 2014 and 2016 in the ProZ Community Choice awards. (ProZ is an online community for language professionals with over 900,000 registered users around the world.) As AMM sponsor, you will reach over 100 participants around the country for each webinar. Participants include Directors of Interpreter Services, Interpreter Trainers, and others, as well as Interpreters themselves.

Please note that sponsorship of the NCIHC Home for Trainers is only available for 2019 AMM sponsorship at the Warrior Level (\$6,000) which includes 4 webinars, and the Hero Level (\$4,500) which includes 2 webinars.
