

# CCHI WRITTEN EXAM PREP, SESSION 1

**CANDIDATE:**

**EXAM DATE:**

## **EXAM CONTENT**

- All computer-based
- All English
- All multiple choice
- Professional Responsibility and Interpreter Ethics 22%
- Manage the Interpreting Encounter 22%
- Healthcare Terminology 22%
- US Healthcare System 15%
- Cultural Responsiveness 19%

## **COMPUTER-BASED TEST-TAKING STRATEGIES**

- Take your allotted time to read instructions.
- Don't get stuck! Use the flag function to mark questions you're not sure of, and go back to them at the end.
- If time allows, go over your answers one last time before submitting your exam.

## **MULTIPLE CHOICE TEST-TAKING STRATEGIES**

-If given a scenario, identify the conflict first.

Use the process of elimination to immediately rule out answers that you're sure are wrong.

-For the remaining answers, identify the facts given and choose the best answer.

## **CHIA DECISION MAKING PROCESS**

### **LET'S TRY TOGETHER!**
